

VIVEK GUPTA

Mumbai , Maharashtra | vivekg3216@gmail.com | 7506734599

SUMMARY

- Passionate IT student specializing in Web Development, DSA and App Development.
- Experienced in building real-world solutions.
- Strong foundation in problem-solving, algorithm design, and efficient coding practices
- Proficient in Next.js, React.js, Node.js, MongoDB, Figma, and responsive design.
- Hackathon Winner (Coherence'25) and Finalist (Pan IIT Imagine 2025).
- Strong teamwork, creativity, and agile project management skills.

PROFESSIONAL EXPERIENCE

Full Stack Developer – Sector Seven Japan January 2025 - April 2025

- Built a full-stack trading platform for a Japanese client, integrating real-time data and secure authentication.
- Developed scalable backend and dynamic, mobile-friendly frontend interfaces.
- Emphasized performance optimization and seamless user experience.

UI/Web Developer – Training and Placement Cell, TCET January 2025 - Present

- Designed the complete UI/UX of the T&P website using Figma.
- Contributed to frontend development using React.js, focusing on accessibility and performance.
- Collaborated with the T&P team to align the portal with institution.

PROJECTS

Decentralized Identity Management System (DIMS) | Blockchain, Web3

Tech stack used: Flutter , Node.js, Mongodb, Blockchain

- Built a blockchain-powered App solution to eliminate identity fraud and fake credentials.
- Empowered users with self-sovereign identity (SSI) and enhanced data privacy.
- Designed applications across finance, education, healthcare, smart cities, and the metaverse.
- Focused on transparency, security, and decentralization.

SKILLS

Full Stack Development	UI/UX Design (Figma)	Git, GitHub	API Integration
Mobile App Development	Project Management	Problem Solving	MongoDB

EDUCATION

Bachelor of Technology (B.Tech), Information Technology August 2023 - June 2027

Thakur College of Engineering and Technology, Mumbai

- Relevant coursework in Software Development and Project Management.

ADDITIONAL INFORMATION

- **Languages:** English, Hindi.
- **Certifications:** Data Analytics in python & Mysql, AI/ML using python
- **Awards/Activities:** Coherence'25 Hackathon winner, PAN IIT Imagine hackathon Finalist
